REVENUE DEPARTMENT.

Circular No. 7468-75, dated 22nd—23rd January 1909.

The Deputy Commissioners of Districts are requested to arrange for the submission of the budget estimates for the ensuing year 1909-10 to this office before the 15th February 1909.

2. Their attention is drawn generally to the full instructions given in paras 2 and 3 of this office Circular No. 7688-97, dated 21st—24th January 1908, for the preparation of budget estimates and *particularly* to those contained in clauses (i) and (ii) of para 3 of the same, in regard to the estimates of Land Revenue. In view of the present seasonal conditions, special attention should be paid to the compilation of figures showing the revised estimate of Land Revenue for 1908-09 (column 2 of Appendix A) and the budget estimate of the same for 1909-10 (column 1 of the Appendix) and the variations between the several estimates fully explained. Before submitting the figures for column 3 of the Appendix (actual collection for 1907-08) they should be verified with the Treasury figures in accordance with paras 1 and 2 of Government Order No. G. 3261-99—G. R. 10-08-8, dated 27th November 1908, so as to avoid the disagreement noticed by the Comptroller in the budget of the current and previous years between the figures of his office and those of the Revenue Department.

3. The attention of the Deputy Commissioners is also specially drawn to Rule 9 of the Budget Rules (appended to Government Order No. Fl. 1150-1192—18-1901-02, dated 7th February 1903) regarding fresh items of expenditure. Cases in which unsanctioned items are included in the budget estimates and such inclusion cited later on as an authority for incurring the expenditure in the absence of necessary provision are still frequent. The Deputy Commissioners are therefore requested to submit proposals for such expenditure, if any, at once, so that the sanction of Government may be obtained before the budget estimates for the year are drawn up and finally passed.
